

Technical Specifications

Laser Class	II
Laser Peak Output Power	<1mW Continuous Wave
Laser Nominal Wavelength	635 nm
Laser Fan Angle	14 degrees
Device Battery	9.6v NiMh Pack 2200mAh
Device Charger	Dual rate (1A,2A) Smart Charger
Mechanical Security	O-ring with optional secondary clamping
Remote Transmitter Nominal Frequency	433 mHz
Remote Transmitter Power	25 mW (Low Interference Potential Device)
Remote Transmitter Modulation	ASK (Amplitude Shift Keying)
Remote Battery	9v PP3 Alkaline
